## **Shipping and Sales Tax Changes**

The U.S. Postal service has increased shipping rates significantly on their Priority Mail services. We were not aware of this change until it went into effect on January 17, 2016. Unfortunately, this has caused us to adjust our current shipping rates and we've made the following changes. These changes are reflected on our most recent order form for supplies located on our website, [www.LRNCPR.com](http://www.LRNCPR.com) under the Instructor Resources and News page.

In addition to the increase in postage, the sales tax rates for Cook County have increased by 1% resulting in a sales tax rate of 9.5% so please be sure to make this adjustment on any future orders. This change is also reflected on our most recent order form.
