Family & Friends CPR

The brand-new Family & Friends® CPR course materials are in stock and shipping now!

Please contact our office to place your order!

Student Manual--\$2 each

The **Family & Friends CPR** course is intended for anyone who wants to learn CPR and prefers to learn in an Instructor-led or facilitated group environment. This course is for people who do not need a course completion card for a job or other requirements. The course is ideal for community groups, parents, grandparents, caregivers, school groups and students, and others interested in learning how to save a life. Skills are taught using American Heart Association's research-proven practice-while-watching technique, which allows participants to practice on a CPR training manikin while skills are demonstrated in

the course video.

DVD with Facilitator Guide--\$42

Coming Soon! 2015 Heartsaver Pediatric First Aid/CPR/AED Course Material

The AHA's Heartsaver® Pediatric CPR AED Course has been updated to reflect new science in the *2015 AHA Guidelines Update*. This Instructor-led, classroom-based course teaches child-care providers, parents and grandparents, educators, and others the critical skills and knowledge needed to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives.

The new course materials are available now for pre-order and will be available for shipping or pickup on **Thursday, September 22** .
